

Eduroam Wi-Fi

Setup Guide for Chrome OS

1) Open your Wi-Fi menu in your settings and select "**eduroam**" from the available Wi-Fi list.

2) Match your **device settings** with the setting on the image.

3) Type "**chapman.edu**" under Domain.

4) Enter your full **Chapman email address and password**. Then click "**Connect.**"

This will save your username and password information for future eduroam connections.
