CTC/ASHA Crosswalk Checklist (Lecture Courses)

CTC ASHA Alignment Matrix - Adopted by the Committee on Accreditation, November 5, 2010
An institution that is offering a Speech-Language Pathology Services preparation program which is accredited by the American Speech-Language-Hearing Association (ASHA) may elect to use ASHA's standards for California accreditation activities. In addition to meeting ASHA's standards, each California SLP program must indicate where the underlined concepts are addressed in the approved SLP program.

Student Name: _____   Cohort: _____

Please check off the course when the student has completed it with a grade of 'B' or higher.

ASHA Accredited Programs Must Show Where in the SLP Program the <u>Underlined Concepts</u> are Addressed	The lecture courses listed below help to ensure that you have completed the standards set forth by CTC. **Check off the course when it has been completed with a grade of 'B' or higher.**
1: Program Design, Rationale and Coordination Each program of professional preparation is coordinated effectively in accordance with a cohesive design and sound <u>evidence-based practices relevant to the contemporary conditions of schools</u>. The design must reflect the <u>full range of service delivery options,</u> including <u>general education, and the knowledge and skills to meet the needs of candidates</u> in the specific areas authorized by the credential. The program has an organizational structure that forms a <u>logical sequence between the instructional components and field work,</u> and that provides for coordination of the components of the program. The program describes a plan that allows for multiple points of entry.	**<u>Fall – 1st year</u>** ☐ CSD 500 – Research Methods ☐ CSD 501- Articulation and Phonology **<u>Spring – 1st year</u>** ☐ CSD 503- Language Disorders in Children **<u>Fall – 2nd year</u>** ☐ CSD 509 – School-Based Issues
2: Professional, Legal and Ethical Practices Each program must provide instruction in the philosophy, history and legal requirements, and ethical practices of special education. This curriculum includes <u>state and</u>	**<u>Fall – 1st year</u>** ☐ CSD 508 – Diagnostics and Assessment ☐ CSD 502 Clinical Procedures and Professional Issues

knowledge of hearing screening procedures.	
SLP Standard 5: Management of Speech and Language Disorders Each candidate exhibits comprehension of methods *in a school setting* of preventing communication disorders including, but not limited to, family/caregiver and teacher in-service, consultation, and collaboration. Candidates demonstrate knowledge of intervention strategies for a variety of speech, language, hearing, and swallowing disorders. Candidates use a variety of school-based service delivery models, which may include but are not limited to: pull-out, push-in, group, classroom consultation and/or collaboration, and co-teaching. Candidates will have opportunities to use curriculum materials commonly used in a school's core curriculum in the service delivery modes employed. Each candidate uses appropriate intervention strategies for individuals from culturally/linguistically/ socioeconomically diverse populations, including the use of interpreters/translators and the facilitation of second language/dialect acquisition. Candidates use <u>effective behavioral intervention strategies and effectively monitor the progress of students *in school settings*.</u> Each candidate demonstrates proficiency in the training of students and families/caregivers, teachers and/or other professionals in the use of	**Spring – 1st year** ☐ CSD 505– Autism Spectrum Disorders and Early Childhood Assessment **Summer – 1st year** ☐ CSD 510 – Adult Language Disorders ☐ CSD 507– Augmentative and Alternative Communication (AAC) and Cognitive Aspects of Communication **Fall – 2nd year** ☐ CSD 509– School-Based Issues ☐ CSD 504 – Fluency **Spring – 2nd year** ☐ CSD 512– Multicultural and Second Language Acquisition

augmentative and alternative communication systems. Candidates exhibit knowledge of rehabilitative procedures with individuals who have hearing impairments, including the use of assistive listening devices.	
SLP Standard 6: School Field Experience Each candidate will complete sufficient <u>field experiences in the schools</u> to demonstrate the knowledge, skills and abilities described in SLP Standards 1 through 5. Candidates acquire experience with a variety of speech/language disorders, assessment and intervention techniques, and diverse populations that <u>may range in age from birth to twenty-two</u>. Candidates will participate and demonstrate proficiency in the following: speech/language/hearing screening, evaluation, and intervention; writing, presentation, and implementation of IEP/IFSPs; a variety of service delivery models; provision of services for children on the autistic spectrum; assistance to classroom teachers in providing modifications and accommodations of curriculum for students; and monitoring of student progress. In addition, each candidate exhibits understanding of multi-tiered intervention (e.g., response to intervention).	<u>**Fall – 2nd year**</u> ☐ CSD 509 – School-Based Issues

SLP Standard 7: Consultation and Collaboration Each candidate engages in <u>consultation and/or collaboration with teachers</u> and other relevant personnel as part of a school field experience. Candidates <u>consult with teachers</u>, other personnel, and families during the prevention, assessment, and <u>IEP process</u>. Candidates also demonstrate relevant methods of consultation and collaboration in intervention, which may include but is not limited to the development of program modifications to support students' learning in the classroom, including academic content in pull-out intervention, instruction of small groups in the classroom, and teaching classroom lessons.	**<u>Summer – 1st year</u>** ☐ CSD 510 – Adult Language Disorders ☐ CSD 507 –Augmentative and Alternative Communication (AAC) and Cognitive Aspects of Communication **<u>Fall – 2nd year</u>** ☐ CSD 509 – School-Based Issues
SLP Standard 8: Assessment of Candidate Performance Prior to recommending each candidate for a SLP services credential, one or more persons responsible for the program determine on the basis of thoroughly documented evidence that each candidate has demonstrated satisfactory performance on the full range of knowledge and skills authorized by the credential *in a school setting*. During the program, candidates are guided and coached on their performance in relation to the knowledge and skills using formative processes. Verification of candidate performance is provided by a faculty representative of the university training	**<u>Fall – 2nd year</u>** ☐ CSD 509 – School-Based Issues **<u>Summer – 2nd year</u>** ☐ CSD 698 – Capstone
