## MISSION

Attallah College develops equity-minded PreK-12 educators as well as higher education and community professionals and leaders who change the world through ethical and reflective scholarship and practice.

## VISION

Attallah College aims to transform teaching, learning, and social communities toward an inclusive, equitable and just world.

## GOAL 1

Develop education and community professionals who are well prepared to address 21st-century issues in a diverse society.

### Strategy 1.1

Enhance graduate and undergraduate education programs that emphasize equity and inclusion and offer diverse community-informed learning experiences.

### Strategy 1.2

Increase enrollment of and support for diverse students across multiple identities, socioeconomic and cultural backgrounds and abilities.

### Strategy 1.3

Recruit, support and retain diverse faculty and staff to further cultivate inclusive learning communities.

## GOAL 2

Increase the impact and influence of the college's research and scholarly activities.

### Strategy 2.1

Provide support, development and mentorship for faculty members in their grant-seeking activities, research collaborations, budgeting and reporting, and project implementation.

### Strategy 2.2

Explore financial models, both internally and externally supported, to increase funding for faculty-led, student-involved research.

### Strategy 2.3

Increase awareness of faculty expertise and faculty-led research among local, national and international audiences.

## GOAL 3

Enhance collaborations to address needs and opportunities in education and community settings.

### Strategy 3.1

Build and enhance the college's advisory and alumni boards and councils.

### Strategy 3.2

Create and sustain community partnerships and initiatives with the potential for long-term, systemic impact.

### Strategy 3.3

Align the college's efforts with university activities and collaborations that focus on equity and inclusive education.

## GOAL 4

Expand, nurture and sustain a culture of continuous improvement among the college's personnel and programs.

### Strategy 4.1

Develop the college's infrastructure and exercise sound stewardship, aligning our resources with strategic priorities.

### Strategy 4.2

Implement continuous improvement cycles in each academic program to enhance the student experience, meet accreditation standards and prioritize college and university goals.

### Strategy 4.3

Enhance the professional skills and workplace satisfaction of the college's faculty and staff.
