

RAINEY FOOD PROCESSING LABORATORY - COFFEE EQUIPMENT

| Equipment (Manufacturer, Model) | Picture |
|---|--|
| <p>Aero Press Coffee Maker (Aerobie AeroPress Co, 83R01) (4)</p> |  A photograph showing the Aero Press coffee maker components on a stainless steel surface. The central component is a tall, cylindrical stainless steel chamber with a black handle on top and a black base. To the left is a black plastic filter holder with a white filter inside. To the right is a black plastic plunger with a handle. The Aero Press logo is visible on the side of the chamber. |
| <p>Clever Coffee Dripper (E.K. Int'l Co., T/C -7088-CCD #4) (6)</p> |  A photograph of a clear plastic Clever Coffee Dripper. It has a wide, funnel-shaped top with a handle on the right side. The body is made of clear plastic with vertical ridges. The brand name "Clever" is visible on the front. The base is a clear plastic reservoir with a lid. |
