

Graduate Change Of Program Form

- To be eligible for a change of program, students must have a cumulative 3.000 grade-point average, no grade below a "C+" in Chapman University graduate coursework and approval of the department requested for change or addition.
Please be aware that this change may affect financial aid awards, catalog year, graduation date and graduation requirements.
Email completed forms to the Office of the University Registrar at regforms@chapman.edu from your Chapman email account.
This form must be submitted prior to the first day of classes of the desired term.
