## Title IX of the Education Amendments Act of 1972

"No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance." 20 U.S.C. § 1681 (1972).

# On May 19, 2020 . . .

The Department of Education promulgated regulations that went into effect August 14, 2020.

These regulations included a new definition of sexual harassment and a more narrow set of jurisdictional requirements.

If a case meets all the required elements, then it will proceed under the Title IX grievance process, which includes a live hearing.

# Section 106.30: Sexual Harassment

Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

- (1) An **employee** of the recipient conditioning the provision of an aid, benefit, or service of the recipient on an individual's participation in unwelcome sexual conduct;
- (2) Unwelcome conduct determined by a reasonable person to be so **severe, pervasive, and objectively offensive** that it **effectively denies** a person equal access to the recipient's education program or activity; or
- (3) "**Sexual assault**" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "**dating violence**" as defined in 34 U.S.C. 12291(a)(10), "**domestic violence**" as defined in 34 U.S.C. 12291(a)(8), or "**stalking**" as defined in 34 U.S.C. 12291(a)(30).

# Overview of the Title IX Requirements as of August 14, 2020

# Conduct Falling Outside the Scope of Title IX

- Apply other institutional policies and procedures
- Ensure that those policies and procedures are compliant with VAWA/Clery, other intersecting federal and state laws

# Procedural Requirements for Investigations

Notice to both parties

Equal opportunity to present evidence

An advisor of choice

Written notification of meetings, etc., and sufficient time to prepare

Opportunity to review all evidence, and 10 days to submit a written response to the evidence prior to completion of the report

# Procedural Requirements for Hearings

Must be live, but can be conducted remotely

Cannot compel participation of parties or witnesses

Standard of proof used may be preponderance of the evidence or clear and convincing; standard must be the same for student and employee matters

Cross examination must be permitted and must be conducted by advisor of choice or provided by the institution

Decision maker determines relevancy of questions and evidence offered

Written decision must be issued that includes finding and sanction

# Live Hearings Required

In person

Remote

Hybrid

Grand River Solutions

There are  
two types  
of advisors

❖ Advisor of Choice  
(throughout whole  
process)

❖ Hearing Advisor  
(hearing, for purposes of  
asking questions)

## Advisor of Choice

Parties are entitled to an advisor of choice.

The advisor of choice can be anyone.

This advisor may accompany the party to any interviews/meetings and the hearing.

The advisor will conduct cross examination of the other party and witnesses at the hearing.

## Hearing Advisor

An advisor of choice may serve as a hearing advisor.

The hearing advisor's role is limited to asking questions for the purpose of cross examination.

If a party does not have their own advisor, the institution must provide one for the live hearing.

Some institutions may permit the hearing advisor to have a role in helping the party to prepare for the hearing.

# Hearing Participants

Who will be in attendance and their roles

03

Grand River Solutions

# Hearing Participants

**Complainant**

# Identify the Claims, What Needs to be Proven

- Why are we here?
- What are the elements for the charge?
- What are the definitions of those elements?
  - Consent?
  - Incapacitation?

Grand River Solutions

**Stalking.** Engaging in a course of conduct directed at a specific person that would cause a reasonable person to:  
Fear for the person's safety or the safety of others; or  
Suffer substantial emotional distress.

1. Did Respondent engage in a course of conduct?
2. Was that course of conduct directed at Complainant?
3. Would Respondent's conduct cause a reasonable person to either
  1. Fear for their safety or the safety of others, or
  2. Suffer substantial emotional distress

**Rape.** The penetration, no matter how slight, of the vagina or anus, with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

1. Did Respondent penetrate Complainant's vagina or anus?
2. Without Complainant's affirmative consent?
  1. What is the ground for lack of consent
    1. Did respondent fail to seek and obtain Complainant's affirmative consent?
    2. Did Respondent force Complainant?
    3. Did Respondent coerce Complainant?
    4. Was Complainant incapacitated and therefore incapable of consent?

# What do I Want to Show?

Credibility?

Clarification on timeline?

The thought process?

Inconsistencies?

# Foundational Questions to Always Consider Asking

Were you interviewed?

Did you see the interview notes?

Did the notes reflect your recollection at the time?

As you sit here today, has anything changed?

Did you review your notes before coming to this hearing?

Did you speak with any one about your testimony today prior to this hearing?

# Opening Statements

# Testimony of the Parties & Witnesses

## Possible Order

01

The Decision Maker will determine the order of testimony

02

The Decision Maker will question first

03

Cross examination will occur next

04

Follow up by the Decision Maker

# Cross Examination

Who does it?

Must be conducted by the advisor

If party does not appear or does not participate, advisor can appear and cross

If party does not have an advisor, institution must provide one

# Cross Examination Permissible Questions

When a post-secondary institution holds a live hearing, is the questioning limited to certain subjects?

“The Rule requires that schools provide the opportunity for cross-examination, and that party advisors must be permitted to ask all relevant questions (including follow-up questions), and only relevant questions.”\*

# Cross Examination Relevant Questions

The Department declines to define “relevant”, indicating that term “should be interpreted using [its] plain and ordinary meaning.”

*See, e.g.,* Federal Rule of Evidence 401 Test for Relevant Evidence:

“Evidence is relevant if:

- (a) it has any tendency to make a fact more or less probable than it would be without the evidence; and
- (b) the fact is of consequence in determining the action.”

# When is evidence relevant?

Logical connection between the evidence and facts at issue

Assists in coming to the conclusion – it is “of consequence”

Tends to make a fact more or less probable than it would be without that evidence

Information protected by an un-waived legal privilege

Medical treatment and care

Unduly repetitious or duplicative questions

Information that otherwise irrelevant

Complainant's prior sexual history, with limited exceptions.

Irrelevant and Impermissible Questions

# Preparing For Cross

Review and evaluate the evidence

Identify your narrative, or the version of events that you want to illustrate

Identify the facts at issue and the findings of fact that you want the decision maker to make

Plan to highlight the evidence that support the narrative and the findings of fact that you want the decision maker to make

Prepare an outline of topics to explore

# Cross Examination

## Common Approaches

---

1. Obtain/Highlight helpful information
2. If a witness does not have information that is helpful, ask questions that illustrate that they are unimportant.
3. Highlight bias/lack of bias
4. Highlight credibility and reliability/lack of credibility or reliability
5. Discounting

# Questioning

## How to Discount

# Discounting Example

## Statement A:

During her interview with the investigator, Witness Y stated that she overheard Respondent and Complainant fighting inside of Complainant's bedroom. She stated that Complainant came out of the room crying and that their face was red and swollen. She stated that Respondent followed Complainant out of the room "looking angry" and grabbed Complainant by the arm "aggressively" and pulled them back into the room. The fighting then continued.

## Statement B:

At the hearing, Witness Y tells the decision maker that while she heard loud voices, it might not have been fighting. She also stated that the parties came out of the room together, that Complainant looked upset, that Respondent looked concerned, and that they "calmly" went back in the room together.

# Confirm

---

- Witness Y, earlier today you were asked about what you heard and saw on the night in question...
- And you indicated that you heard loud voices, but that you are not sure if it was fighting, is that correct?
- You also said that the parties came out together and then went back into the room, is that what you saw?
- And you are sure of this?

# Compare

---

- Witness Y, this isn't the first time you shared your observations of Complainant and Respondent that night, is it?
- Did you talk to the investigator about this?
- And that statement was provided just two days after the incident, correct?
- Do you recall what you said to the investigator?
- Did you tell the investigator the truth when you were interviewed?

# Conclude

- Witness Y, when you spoke to the investigator, you indicated that you heard fighting, correct?
- And that Complainant came out of the room crying, isn't that right?
- And that Respondent came out looking angry, correct?
- You also stated that you saw Respondent grab Complainant and drag them back into the room, isn't that true?
- Since speaking with the investigator, you and Complainant have had a falling out, haven't you?

# Cross Examination:

Do be efficient in your questioning – go event by event

Don't rehash everything a witness has said

Do focus on the information that is helpful

Don't call folks liars or attack them

Do raise concerns about credibility and reliability

Don't rant, rave, loose your temper

Do make your points through pointed and calm questioning

Don't forget to be prepared to pivot as testimony is given

# Observe and Listen

Be open to adjusting plans or strategy based on information presented at the hearing.

Make note of any issues that you think may be appropriate for appeal.

# Cross Examination

## Role of the Decision Maker

---

The decision maker will determine whether a question posed during cross examination is relevant and permissible.

---

When the decision maker determines that a question is relevant, the party/witness may answer it.

---

When the decision maker determines that a question is irrelevant, they must state their reason.

# Closing Statements: Advisor's Role

# Practical Application

Grand River Solutions

05

Complaint alleges that Respondent violated the provision against stalking by engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person's safety or the safety of others or suffer substantial emotional distress. Specifically, Complainant alleges that after she told Respondent to stop talking to her, Respondent: followed her to and from her dorm; repeatedly asked her friends of her location; and approached her while she was with a group of friends. Complainant reported that after she ended her romantic relationship with Respondent, she would see Respondent every day on her way to class. Complainant also reported that Respondent on more than one occasion asked Witness A where she was. Lastly, Complainant reported that Respondent approached her while she was with Witness A and others and began yelling at her regarding why she was no longer talking to him. Complainant reported that these interactions together made her uncomfortable and fearful for what Respondent would do next.

# Witness A

Witness A was interviewed by the investigator and reported that she and Complainant have been best friends since they were younger. Witness A stated she was happy to hear when Complainant and Respondent broke up because she did not like Respondent. Witness A stated that Complainant had called her a couple of times after she broke up with Respondent as Complainant believed Respondent was following her to class. Witness A recalled Complainant's voice "shaking" and she was not able to "keep a consistent train of thought" during these conversations. Witness A stated Respondent asked her once where Complainant was. Witness A also recalled seeing Respondent approached Complainant with a "raised" voice but the two seemed to be smiling when they were talking to one another. Witness A was not sure what the two were talking about as they walked away from where she was standing.

# Witness B

Witness B was interviewed by the investigator and reported she has known Respondent for about a year. Witness B stated she has never met Complainant nor seen Complainant and Respondent interact. Witness B stated that Respondent told her when Respondent and Complainant broke up. Witness B stated Respondent seemed sad but said he was mostly confused and “wanted answers.” Witness B recalled Respondent asking her a few times if she had seen Complainant. She told Respondent she had not, despite seeing Complainant in the dining hall. Witness B stated that the last time Respondent talked to her about Complainant was when he called her and said he approached Complainant for “closure.” Witness B stated Respondent approached Complainant “in a loud, joking manner” and asked Complainant to come talk to him. Witness B stated Respondent said that the conversation was “productive,” “good natured,” and “civil.” Witness B recalled that Respondent’s mood was very high after this conversation and they have not spoken about Complainant since.
