 - Response from Alex (filling in for Taylor):

Just wanted to thank you and your students for taking the time to assemble these shower kits, they will go a long way to serving our local unhoused community!

We're open Monday through Saturday from 9AM to 3PM, so anytime between those hours would be great to drop off. If you let me know ahead of time I can let the rest of the staff know so they can be prepared to accept the donations.

If anyone is looking for more opportunities to volunteer I can include our sign up link. Any students or organizations hoping to get involved can follow that link to sign up and come serve on our site. We have many jobs we can train them on including running the check in table, shower station, laundry trailer, serving food, sorting mail, and so much more! Additionally if any larger groups want to plan a serve day and have interest in doing special projects or want to come in to distribute items I can connect you with our volunteer coordinator to plan that out.

Here is the sign up link:

I can also work on getting our updated serve calendar to you so we can continue to have a Chapman presence at our events happening here at the Hub Resource Center. We always love hosting the Chapman students, they are such a delight and hard workers!

Please don't hesitate to reach out if you have any more questions.
