

Summer 2023 Financial Aid Request

Student Name: _____

ID Number: _____

Chapman Email: _____

Grad Program: _____

Students must be enrolled at least half-time to qualify for federal aid. Half time for summer is: 4.5 credits for graduate programs, 6 credits for JD students.

I will be enrolled at least half-time.

Private loans may be available for less-than-half-time enrollment. Contact us for further information.

Please note: all classes must satisfy one or more of your degree requirements. Courses not included on your program evaluation are not eligible for federal aid. Certain programs may not offer enough required courses to qualify for federal aid (please check with your program advisor if you have any questions about qualifying courses).

I have verified all my summer courses meet this requirement.

Acknowledgements:

I will notify the Graduate Financial Aid Office if there are any changes to my enrollment. I understand that my financial aid eligibility may be revised or revoked if there are changes in my circumstances and/or enrollment status.

I understand that if I do not attend all the units and sessions for which I am enrolled, I may be ineligible for aid and I may be required to return some or all of aid disbursed to my student account and this may result in a balance due that I am responsible for.
