

## DEPARTMENT OF ART STUDIO ART

**“The place of the arts in the classroom is essential in encouraging invention, ambition, and an understanding of the importance and pleasures of living an examined life.”**

– Barbara Kruger

The mission of the Department of Art at Chapman University is to offer a comprehensive education that develops the technical, perceptual, theoretical, historical and critical expertise needed for successful careers in visual art, graphic design and art history. The department supports artists, designers, and scholars within a rigorous

liberal arts environment that enriches the human mind and spirit. We foster the artistic and academic growth necessary to encourage lifelong study and practice of the arts through a curriculum that contains strong foundation and history components as a basis for continued innovations in contemporary practice and scholarship.
